

Scout Week Observance Scheduled

An important feature of all Boy Scout Week observances will be on Sunday.

Synagogues will observe the Sabbath, beginning Friday evening.

Council relationships chairman, Judge Philip H. Richards, stresses that "Scouting is religious without being sectarian. This explains why it has been accepted by practically all religious bodies."

On Scout Sunday, or Sabbath, all Cub Scouts, Boy Scouts and Explorers are urged to attend in uniform their own church or synagogue. Most religious institutions who sponsor Scouting will feature special programs honoring Scouting and their Scout units.

Cubs, Scouts, and Explorers are expected to attend their religious services regularly and Scout Sunday is but to add emphasis to Scout Week observances.

Many Scout church awards are made on Sunday, including presentation of the Ad alare Dei Cross at St. Vibiana Cathedral, to more than 200 Scouts.

Sweetheart Ball Slated At North High

North High School's seventh annual Sweetheart's Ball, sponsored by the Saxon Band, will be held in the cafeteria Feb. 17, 8 to 11:30 p.m., according to Robert Jones, band director.

Coronation of the couple voted "Sweetheart Couple" will highlight the evening's events. Each student will be entitled to vote for the couple of his choice at the time they purchase a ticket. Tickets for the semi-formal affair will be \$1.50 per couple.

Couples will dance to the music of the North High Dance Band.

Red and white hearts and Dan Cupids will be featured in the decorations which will help create the valentine atmosphere.

Cookies and punch will be served to the guests during the dance.

"The Sweetheart's Ball is a fund-raising dance to help finance the pins and letters presented to band members as awards of merit at the end of the year. We hope this dance will be a big success," Katherine Mitchell, chairman, stated.

Seascapes On Display

Seascapes by Howard McIntyre, California artist, are currently on view in a one-man show at the Artist Co-Op Gallery in Rolling Hills.

McIntyre, who has painted Pacific scenes from Oregon to Mexico in a long artistic career, is presenting recent oils in the show. The gallery's permanent collection is also open to the public.

The Artist Co-Op Gallery, located on the ridge of the Palos Verdes peninsula near Crenshaw and Silver Spur Road, is operated cooperatively by 30 South Bay painters, sculptors, and graphic artists. In addition to its gallery program, the group also sponsors and conducts public workshops in drawing, painting, sculpture, and serigraphy for children and adults.

The McIntyre show will continue through March 4. Gallery hours are 10 a.m. to 6 p.m. Tuesday through Saturday, 1 p.m. to 7 p.m. Sundays.
